Rental, Storage & Repair Rules

- Rental = authorization (claim #, rate, class, start, direct bill) + reservation # + client briefed on her costs.
- Client pays: upgrades, fuel, damage waiver, days after the end date.
- Extensions: ask before the end date, with the reason.
- Storage: move the car on day one or two.
- Estimates: compare parts type, labor rate, refinish, materials, sublet (scans, calibrations).
- Supplement → recheck repair ÷ ACV against the 75% threshold.
- Diminished value: third-party, repaired late-model cars.
